

## REPORT ON GBKA EXAMINATIONS AND ASSESSMENTS FOR 2014

### from the Examinations Secretary for GBKA

A tremendous effort put in by everyone. A few deferrals until 2015 but that is to be expected.

Some Module certificates did not arrive as scheduled; the problem was solved by replacements being sent from BBKA. (The original certificates have not been traced: possibly they were lost in the post.) Successful candidates should all have their certificates and badges by now.

There are several Qualified Beekeepers in GBKA. I do not think all have had their Intermediate Certificates sent. I am looking into the matter but have had no response yet from BBKA.

Congratulations to all candidates and a big thank you to everyone who has helped organise tutorials and give their precious time assisting those wanting to sit written examinations and practical assessments.

Hon. Examination Secretary for GBKA
