

REPORT ON GBKA EXAMINATIONS AND ASSESSMENTS FOR 2014

from the Examinations Secretary for GBKA

A tremendous effort put in by everyone. A few deferrals until 2015 but that is to be expected.

Some Module certificates did not arrive as scheduled; the problem was solved by replacements being sent from BBKA. (The original certificates have not been traced: possibly they were lost in the post.) Successful candidates should all have their certificates and badges by now.

There are several Qualified Beekeepers in GBKA. I do not think all have had their Intermediate Certificates sent. I am looking into the matter but have had no response yet from BBKA.

Congratulations to all candidates and a big thank you to everyone who has helped organise tutorials and give their precious time assisting those wanting to sit written examinations and practical assessments.

Bernie Danvers

Hon. Examination Secretary for GBKA
